

Want to strengthen your recovery? Has your sponsor told you to do more service? Come serve in your intergroup!

Work step 12 by serving in your intergroup. Many positions take very little time outside of our once a month meeting (second Tuesday of the month, 6:30-8pm). You don't need to have any special skills or qualifications to serve, just a desire to carry the message to compulsive overeaters who still suffer.

- **Intergroup Meeting Rep from Each Group**
Represent your group by voting on intergroup decisions. Take information and your enthusiasm for OA back to your home group.
- **Chair**
Prepares an agenda for and presides at each intergroup meeting. The Chair will help committees and groups with questions about the Twelve Traditions.
- **Vice-Chair**
Assumes duties of Chair, when needed. Maintains meeting lists and committee lists. The Vice-Chair is also responsible for running elections in the fall.
- **Alternate Delegate**
Attends business conferences in the absence of the Delegate. The Alternate Delegate is also responsible for maintaining the bylaws of the intergroup.
- **Activities Committee Chair and Committee Members**
Creates, promotes, and staffs fund raising events and recovery centered workshops and seminars.
- **Communications Chair and Committee Members**
Responsible for getting the word about OA out to the general public and keeping the fellowship up-to-date on events and information within the community. There are sub-committees for the hot-line, email service, and website.
- **Group Development Committee**
Provides support and ideas to our local groups for attracting and retaining membership.
- **Public Information and Professional Outreach (PIPO) Chair and Committee Members**
Informs the general public, professionals, and others about our program through the use of various media channels.

Come check out what intergroup meetings are like! Our next meeting is June 13, 2017 at 6:30pm at St. Joseph's Villa (451 East 1940 South, Salt Lake City) in the 1st floor conference room (left at the reception desk and half way down hall).
